An Invitation:

Dereham u3a have invited members of Wissey u3a to join their planned visit to the National Space Centre at Leicester on Wednesday 17th April. Please see the accompanying 'flyer' which gives full details.

Activity Groups:

A copy of the latest Schedule is attached.

One of our twenty+ Activity Groups is the **Music Appreciation Group** which meets monthly in the Methodist Church in Swaffham. Each member of the group brings a CD and maybe says a few words about it. After listening to the music others might comment upon it. All very relaxed with a wide variety of music being chosen. Jan Hayes-Griffin will tell you more.

Monthly Meetings:

Our next meeting will be on **Thursday 7th March** when our guest speaker will be **Adrian O'Dell**

who will be showing a film entitled, **'Stefan's Journey and in his footsteps'**

This will be about his father, a Polish Airman, and retracing his WW2 escape, 80 years on. Followed by a Q & A session.

In addition to our guest speaker, our **Art Group** will mount an exhibition of their recent work.

Last time:

At our previous meeting on Thursday 1st February our guest speaker was Pat Alker from Project Dukem talking about their work in Ethiopia, which is focused on helping young people, including hiv/aids orphans.

This was a very challenging illustrated talk which prompted some interesting questions and a generous response to the after-meeting retiring collection for the charity.
